Resolution 31-2018 – Accept bid on loader from Auctions International

Highway Superintendent Chris Rieben provided the Board members with the bid history for the 2005 Komatsu Front Wheel Loader. The bidding closed out with the highest bid of \$52,500.00. The Board assured the residents in attendance that their intent is not to put anyone out of business or affect any businesses in a negative way. The Board talked about requesting an evaluation from NYSDOT in order to reduce the speed limit on Niles Road and

Meetinghouse Road. Barbra Kingsley made a motion to request a lower speed limit on Niles Road; the motion did not receive a second, motion failed. As the meeting was winding down, it was agreed that Highway Superintendent Chris Rieben will check on what can be done at the intersection of Niles Road and Meetinghouse Road to improve the visibility there. Also the Highway Committee will meet and come back to the June meeting with some recommendations for trying to solve some of the issues in this area of the town.
